

# Aparat de aer conditionat SINCLAIR MARVIN 9000 BTU

Cod produs: SIH -09BIMN + SOH-09BIMN

## Descriere

- Energy class A++ / A+
- Cooling capacity 2,7 kW
- Heating capacity 3,0 kW
- Dual side water outlet
- Hidden display
- Function „I FEEL“
- 8 °C heating
- 7 speeds of fan
- Dual guide louvers for more precise air flow
- Cold plasma generator
- WiFi module
- Dry door contact
- Crankcase heater, chassis heater
- UV-C module for air sterilization
- Remote controller YAA1FB18 (WiFi)
- Available in 4 color variations – navy (SIH-XXBIMN), silver (SIH-XXBIMS), champagne (SIH-XXBIMC), white (SIH-XXBIMW)

|   |   |
|---|---|
| <b>Clasa energetica incalzire:</b>                    | A+  |
| <b>Clasa energetica racire:</b>                       | A++   |
| <b>Culoare:</b>                                       | Navy  |
| <b>Dimensiuni unitate externa (L x A x I):</b>        | 732 × 555 × 330                             |
| <b>Dimensiuni unitate interna (L x A x I):</b>        | 889 × 294 × 212                             |
| <b>Functii climatizare:</b>                           | Funcția „I FEEL”                            |
| <b>Tehnologie Wi-fi:</b>                              | Da  |
| <b>Temperatura maxima de operare incalzire (+°C):</b> | +30 C                                       |
| <b>Temperatura maxima de operare racire (+°C):</b>    | +50 C                                       |
| <b>Temperatura minima de operare incalzire (°-C):</b> | -25 C                                       |
| <b>Temperatura minima de operare racire (-°C):</b>    | -15 C                                       |
| <b>Tip compresor:</b>                                 | INVERTER                                    |
| <b>Tip Filtru:</b>                                    | Filtru cu catechină și cărbune activ inclus |
